

## Harrow St Mary's Summer Cricket Programme

We have been running the ECB's All Stars and Dynamos programmes for 5-11 year olds for the past 8 weeks and they finish this coming Wednesday. They've been great fun.

One of our aims in our club's development plan is to encourage more girls to give the sport a go and we are excited to announce that from next week (13th) we will be running a further Dynamos programme for **GIRLS ONLY** for any 8-11 year olds. This is a fantastic opportunity for girls to experience cricket in our safe environment here at HSM, hosted by our qualified coaches. Any of the girls who have attended the programme we're just finishing can sign up again. Also please pass this on to any friends who have girls.

You can find more about the Dynamos programme here-

<https://www.ecb.co.uk/play/dynamoscricket>

The cost of the programme is normally £40.00, but as a result of us securing a grant from the ECB we are donating this to cover the programme for any attendees so they can attend **FREE OF CHARGE**.

They will receive a shirt that can be personalised to include their name and favourite number which will be delivered to your home address.

I appreciate that this is a bit short notice, but don't worry if they can't get to the first session, secure their place now.

If you have any questions contact Alex Hughes, Middlesex Cricket's Participation Officer, though we should be able to answer any questions you have.
