

"Providing opportunities for schools to explore Christianity in partnership with their local Christian community"

Dear Parent/Carer,

For the past few years Roxeth School has had a longstanding relationship with Re:generation, a Christian charitable trust that has been working in local primary and secondary schools across Harrow since 1984. As part of our job as the Re:generation schools workers we run lunch clubs, after school clubs, teach RE lessons, take assemblies and run PSHE workshops in a wide range of schools throughout Harrow. From this September Roxeth school welcomes us on a weekly basis to run our lunch club in partnership with Christ Church Roxeth.

The club runs every Tuesday during term time **from 12:40pm to 1:10pm in The Space for Years 3 - 6.**

Its main aim is to create a fun, welcoming and supportive place for the children to come to during their lunch break. We spend some time playing fun games which have a focus on helping the children develop good social skills. We then spend some time discussing a topic question to make us think about who we are and what's important to us, hearing a Bible story and discussing the values that can be taken from it, such as why it's important to forgive, how to be a good friend and the importance of being honest. We will also spend some time chatting to the children about pastoral issues as they arise for example, fall outs within friendship groups or worries about school work.

We fully support the school's rights respecting ethos and children of all faith groups are most welcome to join us! If your child wishes to come to the Re:generation lunch club please indicate on the slip below and return it to your child's class teacher.

Many thanks,

Carol
