Home Learning Support

- English and Maths tasks will be provided in your child's home learning book weekly. Occasionally, an alternative subject, such as history, may be offered.
- Home learning is designed to consolidate the teaching in class, giving children the chance to reinforce and practise what they have already learned.
- Supporting your child with their home learning is important. Research shows that parental involvement can boost children's understanding, motivation, and confidence, helping them develop both academic skills and positive learning habits. Even brief discussions or guidance can make a big difference to their progress.

Reading

EYFS and KS1

Your child will receive an **independent reading book** every Tuesdays and Thursdays. Please take at least 10 minutes each day to read to your child and fill in the reading record.

For phonics, we follow the Little Wandle Letters and Sounds Programme.

Your child will also receive a **Little Wandle phonics eBook**.

Your class teacher will hand out the logins to you. Please spend this time going over the taught sounds of the week using the Parents Home Learning Guidance sheet. Your child will have read this book at school with their teacher, this is their time to celebrate words/phrases they have learnt during the week.

Every week on a Tuesday (1P) and Friday (1C) your child will have the opportunity to visit the **school library** to choose a book for reading for pleasure. This may be a book that you can share together at home or give your child the opportunity to read independently in the evening.

Writing

For our writing curriculum, we follow **Literacy Tree – Writing Roots** which is a book-based programme.

We will read and focus on a book between 2-4 weeks covering writing, comprehension, spelling, vocabulary and assessment. Our first book we are focusing on is *Naughty Bus*.

Maths

- Children will be building on their knowledge from previous years, studying topics such as place value, the four operations, and fractions.
- This year, they will focus on three-digit numbers when learning about number and place value.
- To support their understanding, children will use tools such as number lines, 100 squares, and tens frames.
- For detailed guidance on methods and expectations, please refer to the Maths Calculation Policy on the school website.

Numbots and/or TTRS

- KS1 use Numbots to build number sense, addition and subtraction fluency.
- Just 10 minutes a day makes a big difference!
- Research shows children who practise 3+ times a week are, on average, 20% faster at recalling key facts.
- Regular use builds fluency, confidence and long-term recall in maths.
- Logins can be found in your child's Home Learning Book and Reading Record.

School uniform

School uniform:

At Roxeth Primary School, we uphold a smart and consistent dress code.

- **For boys**, this includes grey or black trousers, a white polo shirt, plain black or grey socks, a formal Roxeth sweatshirt, black school shoes (not trainers), and a Roxeth sun cap is available.
- **For girls**, the uniform comprises a grey pinafore or skirt, grey or black trousers (no leggings), a white polo shirt (short or long sleeves), a formal Roxeth sweatshirt, a sun hat, black shoes (no trainers or boots), a plain black, blue, or white hijab, hair accessories in school colours and a Roxeth sun cap is available.

PE Kit

Children are required to have a complete PE kit. Please ensure all items, including school jumpers, are clearly labelled. If any items are missing, a letter will be sent home to remind parents and carers. **On their allocated PE days, children should come to school dressed in their PE kit.**

Roxeth Primary School PE Kit:

- Plain blue/black shorts/jogging bottoms
- Plain white T-shirt
- Trainers

*Please note that the uniform does not need to be branded with the Roxeth logo.

All jewellery to be removed on the day and hair must be tied back.

Behaviour for learning expectations

- Good learning and behaviour for learning will be rewarded with:
 - House Points
 - Record of Achievements
 - Head Teacher and Rights Respecting awards on Friday assemblies.
- Gold stars in Key Stage 1

What is a Special Educational Need?

- These range from child to child.
- Some children may find some aspects of learning challenging, this does not necessarily mean they have a Special Educational Need – everyone is different!
- Types of Special Educational Needs and Disabilities, where a child’s educational progress is adversely affected, come under 4 umbrella terms:
 - Cognition and Learning (Understanding and applying learning)
 - Communication and Interaction (Speech and Language, interacting with others)
 - Social, Emotional and Mental Health (Emotional wellbeing, challenges with social interaction)
 - Physical and Sensory (Physical impairments, and sensory linked behaviours)

What do I do if I am worried my child has difficulties with their learning, or a Special Educational Need/Disability?

- First port of call is to speak to your child's teacher. They will provide feedback about your child's learning and development, and share any concerns. Where concerns are shared, they will begin an Assess-Plan-Do-Review process, where they will assess your child's challenges, plan how to address these, implement strategies, and review progress.
- If needed, they will raise a concern with the SENDCO – Mrs Ojo.
- If concerns persist after in-class strategies have been applied, the SENCO will begin an Assess-Plan-Do-Review cycle and provide further advice/take further actions with external agencies.
- Roxeth works closely with Speech and Language therapists, The Autism Advisory Service, Educational Psychologists, and many other agencies.
- If there is something you wish to speak directly to the SENDCO about, please book an appointment to see Mrs Ojo at the office.

Children on the SEND register

- Where we feel your child may have a learning need, we will inform you that we have placed your child on our SEND register. This allows us to create targeted support plans for your child.
- **For those who are already on the SEND register:**
 - We aim to have Support Planning Meetings in person with parents/carers, where targets will be provided and information/understanding about your child will be shared between both yourselves, and the teacher.
 - We understand that as parents/carers, YOU know your child best, and we value any input you can provide for us to better help them.

RCC – Roxeth Community Club

- RCC is Roxeth's PTA.
 - The RCC raise money for the school through fun events the whole community can enjoy.
 - Every parent, carer, guardian and staff member is already part of RCC.
 - Parents can get involved as much or as little as they like — from helping for an hour at an event to joining the organising team.
 - This year, RCC is especially looking for a **Vice Chair**, regular team members and event volunteers.
 - Every bit of help makes a big difference for the children at Roxeth.
